

SMP-L-AP

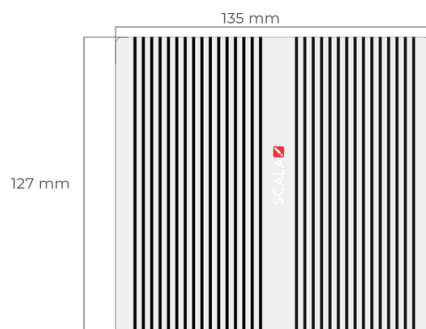

SCALA MEDIA PLAYER

Scala Media Player-L-AP is an affordable entry-level digital media player that delivers stability and reliability in an ultra-compact design. With an anodized aluminum housing and fanless design the Scala Media Player-L easily fits into any digital signage location while staying protected from dirt, dust and any other particles that could compromise performance.

KEY BENEFITS

-  Optimised architecture to deliver superior performance
-  Easy to deploy, manage and maintain
-  Compact and mountable form factor, fits snugly into small spaces
-  Robust and industrial grade, ideal for 24 X 7 operation
-  Efficient remote monitoring
