

SMP-L-AP

STRATACACHE MEDIA PLAYER

STRATACACHE Media Player-L-AP is an affordable entry-level digital media player that delivers stability and reliability in an ultra-compact design. With an anodized aluminum housing and fanless design the STRATACACHE Media Player-L-AP easily fits into any digital signage location while staying protected from dirt, dust and any other particles that could compromise performance. Plus, its hardware EDID management feature guarantees uninterrupted playback - whether a display is powered on and off or disconnected and reconnected - promising a smooth viewing experience every time.

KEY BENEFITS

Optimised architecture to deliver superior performance

Easy to deploy, manage and maintain

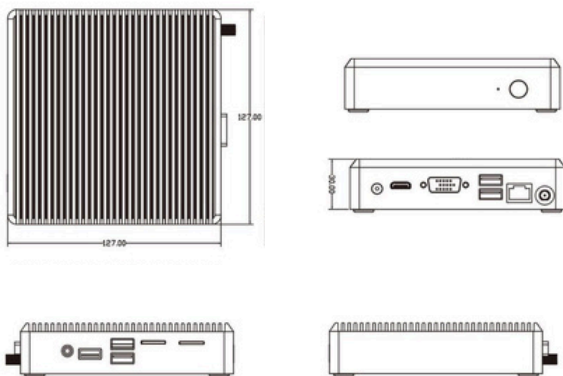

Compact and mountable form factor, fits snugly into small spaces

Robust and industrial grade, ideal for 24 X 7 operation

Efficient remote monitoring
